AIRMAN PDS185SC-6C2-T PORTABLE DIESEL TRAILER MOUNTED AIR COMPRESSOR

The after-cooled Airman PDS185SC-6C2-T trailer mounted 185cfm diesel air compressor offers industry leading performance. An impressive 90 litre fuel tank combined with a YANMAR high fuel efficiency engine provides a run time between fills of double some other makes and can save you thousands in fuel savings and time spent refuelling! The full featured high quality instrument panel tells you everything you need to know at a quick glance and the impressive 1.7m wide track body makes towing and reversing a pleasure. Built tough and durable in Japan with local Australian trailer running gear and fitted with an air after-cooler, make the Airman PDS185SC-6C2-T the smart choice.
